

# PETITION

To the Honourable the Members of the House of Assembly in Parliament assembled –

The Petition of the undersigned concerned citizens, respectfully express their concern in relation to the mining process known as “fracking” in the Limestone Coast area of South Australia and calls on the State Government to honour their commitment of a 10 year moratorium on hydraulic fracturing and any exploration for or development of unconventional gas in the Limestone Coast region.

Your Petitioners therefore request that your Honourable House will call on the State Government to legislate a 10 year moratorium on fracking in the Limestone Coast area of South Australia.
